

19.106 POST SHOOTING TRAUMA

Reference:

Procedure 18.107 - Peer Support Program
 Procedure 19.110 - Peer Support Crisis Intervention Team
 Standards Manual 1.3.8, 22.2.1, 22.2.5

Policy:

This procedure addresses the physical and emotional welfare of an officer when shots fired by the officer take effect.

This procedure is not intended to question the officer's conduct at the time of the incident or subsequent actions arising from the incident. It addresses an administrative concern for the well being of the officer involved.

Procedure:

A. After Shots Fired Take Effect:

1. Police Communications Section (PCS) will contact two on-duty Post Shooting Peer Support Team members. If on-duty team members are not available, PCS will contact off-duty team members via the Post Shooting Peer Support Team list.
2. Police Communications Section will contact the Police Psychologist, who will consult with supervisors to determine whether he should arrange to meet with the involved officer at that time. In the event that the Psychologist cannot be contacted, one of his staff members will be called.
3. If shots do not take effect, call only one Post Shooting Peer Support Team member.
4. Post Shooting Peer Support Team members officially called out by PCS will sign a Form 608 (Peer Support Program Policy) before talking with an officer involved in the shooting incident.
 - a. The responding Peer Support Team member's name will be included in the

Division's official report of the incident.

5. After completing the required initial investigative process, detail the involved officer the remainder of the day to assist in the investigation.
6. The involved officer will immediately be placed on administrative leave for three days. Sometime during the three day administrative leave the involved officer is to respond to the Police Psychologist. The nature of this consultation will be held in strict confidence. It is not an evaluation.
 - a. The Police Psychologist will call Police Personnel Section when the officer responds and follow up the call with a written communication stating the same.
 - b. Officers may see an outside or private psychologist/psychiatrist or the Public Employees Assistance Program (PEAP), but must assume the expense of such a consultation.
 - 1) Send documentation of this visit to Police Personnel Section.
7. When the police or private psychologist/psychiatrist recommends an officer be taken off the track, the Personnel Section Commander will direct the affected district/section/unit to complete a Form 25-S (Application for Leave of Absence).
 - a. Personnel Section will handle the administrative paperwork (Form 25-S) and notify the officer's district/section/unit as to changes in the officer's work status.

B. Administrative Actions:

1. If the incident immediately precedes the involved officer's normal off days, carry the officer as "detailed" for the remainder of this tour of duty and on administrative leave for the next three days.
 - a. Any normal off day(s) will be taken immediately following the administrative leave.
2. Additional protective administrative actions may be taken by the Police Chief.
